

# CHICAGO

## Alignments Timeline on this Map

1926: The original eastern terminus of US 66 was at the intersection of Jackson and Michigan (green/red).

1937: The terminus was moved farther eastward to Jackson and Lakeshore (red).

1955: Jackson became one-way eastbound as far as Michigan (green/red). From there to Lakeshore it remained two-way (red). Michigan and Adams then became westbound US 66 as far as Ogden Ave. (orange).
