

Between Afton (east)
and Chelsea (west)

Alignments on this Map:

Green: Original route, some or all of which was already paved in Vinita at the time the red route was implemented.

Red: First paved alignment. Paved in single bituminous asphalt in 1932 and upgraded to concrete in 1936 eastward from Vinita. Paved in concrete in 1933 westward from Vinita.

Orange: Lanes added in the mid-1960s to create a 4-lane highway.

Note:
A bridge on Big Cabin
Creek was built for the
orange route in 1964.
Both bridges there were
replaced in 2011.

Note:
The 1926 Little Cabin
Creek
Bridge was replaced in 1935.
That bridge was preserved in
place when a new bridge was
built in 2011 on an offset
alignment.
