

Note:
The original 1926 pathway from Arrowhead Junction through Goffs to Essex remains unproven in places. Sometime prior to the 1931 bypass of the Goffs loop, US 66 was improved with thin asphalt paving, surviving traces of which verify the alignment in some areas.

ARROWHEAD JUNCTION

US 95

BANNOCK

Goffs Rd. / Route 66

Note:
The dashed gray line above represents an earlier alignment of US 95. It is possible that the green route followed this pathway.

Continuation of the previous map begins here.

Between JCT US 95 (east) and Essex (west)
