

Between Afton (east)  
and Chelsea (west)

Alignments on this Map

Green/Red: Original route, which was paved in 1933.

Orange: Lanes added to create a 4-lane highway, first appearing on the 1966 state highway map.

Note that both US 60 and US 69 end their concurrent run with US 66 on this map.

Note:  
All drainage structures  
on this map are culverts.
