

Continuation of
the previous map
begins here.

Between JCT US 95 (east)
and Essex (west)

Note:
From Goffs (previous map) to Fenner (Map 14), it
is presumed that US 66 initially followed the path
of the NOTR, but it may have been moved onto the
path of the current roadway when the route was
improved with Macadam in the late 1920s.
