

Continuation of the previous map begins here.

Alignments on this Map

- Green: A slight curve was corrected on the green route at the time of paving (above).
- Red: Paved in this area in the 1930s. West of the tunnel (upper left portion of map), the green/red route later became the north I-40 frontage road.
- Note: I-40 was in place here in the mid-1960s.

Note:  
All three bridges on this map were built in 1936.

Between Tucumcari (east)  
and Newkirk (west)
