

Note:
 The distance between the IL 129 route (orange)
 and I-55 (blue) has been compressed to fit all
 alignments on the map. Actual distance at this
 point is 2 miles.

Between Joliet (east)
 and Dwight (west)

Alignments on this Map

- Green/Red: Original and first paved route. Became Alt. US 66 in 1939, keeping that designation until 1966.
- Orange: Mainline US 66 beginning in 1939.
- Blue: 1950s 4-lane upgrade route, following the path of future I-55. The 4-lane shows as being under construction in a 1956 aerial photograph.
