

**Alignments on this Map**

Green/Red: Original and 1931 first paved route.

Orange: Revision to the green/red route when the highway was expanded to 4 lanes through Claremore. The roadway through the main part of the city was not divided.

Note: The 4-lane would be completed eastward from Claremore in 1983 (see previous map). From Claremore westward to the Tulsa County line (Map 23), it was completed in 1957. The route in Claremore was moved from J.M. Davis Blvd. to Lynn Riggs Blvd. in July 1958.
