

Between JCT US 95 (east)
and Essex (west)

I-40

Continuation of
the previous map
begins here.

I-40

Note on Alignment:

The 1931 paved route continues toward Essex (Map 21) along
the future I-40 corridor and the former National Old Trails Road.
I-40 was completed in this area circa 1971.

Note:

Except for the timber bridge
(lower left), all drainage structures
on this map are culverts.

Mountain Springs Rd.

I-40
Exit 115

I-40

Cabins

National Trails Hwy.

Timber Bridge

Note:
The dashed gray line
represents the path of
the National Old Trails
Road.
