

National Trails Hwy. / Route 66

Between Amboy (east)
and Ludlow (west)

Timber
Bridge

Note:
Remnants of rudimentary asphalt
can still be found along the green
route between Amboy (Map 30)
and Ludlow (Map 37).

Note on Alignments:
The green route continues to meander
through desert sands along the path of
the former NOTR, crossing the 1931
upgrade route (red) numerous times on
its approach to Ludlow (Map 37).
