

Between Chicago (east)
and Joliet (west)

Note on Alignments:

Ogden Ave. (green) is generally regarded as the route only from 1926-1928, and the build date for the bridge on Joliet Rd. (red) is 1927. However a 1929 USGS Topo does not show a road yet existing between Harlem Ave. and Fisherman's Terr. on the red route (Joliet Rd.), though it does show the bridge already in place. If accurate, the green route would not have been bypassed until 1929 or 1930. It is not known whether the green route was paved before being bypassed.
