

Between Ludlow (east)
and Barstow (west)

Green = Original route following the path of the NOTR, some of which was thinly paved prior to the implementation of the red route.

Red = 1931 uniformly paved upgrade alignment to the green route.

National Trails Hwy. / Route 66

I-40
Exit 33

Note:
The four drainage structures on
this map are timber bridges built
between 1929 and 1931.
