

Between Flagstaff (east)
and Williams (west)

East view of the culvert where the red and orange routes merge at Parks.

Note:
It is possible that the green route here followed the same path as the red route to their point of merging on this end of the map.

Note:
All drainage structures on this map are culverts.

Alignments on this Map

- Green: Original route prior to paving.
- Red: First paved alignment.
- Orange: 1940s 2-lane upgrade to the red route.
