

Alignments on this Map

Green/Red: Original and first paved route.

Orange: Early 1950s 4-lane, which was undivided at the far right side of the map and in the area of I-44 Exit 156, as depicted on 1976 aerial photos. Otherwise, the orange route followed the path of today's I-44. The interstate in this area was completed in the late 1970s.
