

ST. LOUIS

Alignment on this Map

1933-1936: Third mainline route of US 66 originating at the Municipal-MacArthur Bridge and extending westward through St. Louis.

1936-1956: "City" US 66 during the years the mainline route was on the Chain of Rocks Bridge alignment (beginning on Map 9).

1956-1975: 5th mainline US 66. This occurred when the route was moved from the Chain of Rocks Bridge alignment to the MLK-Veterans Bridge (Map 1).

1975-1977: US 66 was moved onto I-44 (not featured), roughly paralleling this route about one mile to the north. US 66 was removed from the 1977 Missouri state highway map.
