Alignments on this Map

Green/Red: Original and first paved route. Brick paving was completed in 1924 from Sooner Rd. (right side of map) for 2.8 miles west (to a point west of Bryant). The remainder of Edmond's route was paved with municipal funds by 1925.

Orange: 1954 4-lane upgrade route following Sooner Rd. south to the entrance of the Turner Turnpike (Map 64), and from there following Oklahoma City's Urban Expressway (opened with the turnpike in 1953) to a reconnection with the green/red route (Map 66).
