

Continuation of the previous map begins here.

Note:
All drainage structures are culverts.

Alignments on this Map

Green: Original route, paved 9 feet wide in 1922. Note that the red route consumed the "sidewalk" highway where the two run concurrently. The 9-foot roadway originally existed from Miami (Map 5) to Afton (Map 7).

Red: 1937 upgrade to the narrow green route, paved to uniform standards.

Between the Kansas State Line (east)
and Afton (west)
