

Between Seligman (east)
and Peach Springs (west)

The culvert on the red route (foreground) and the culvert on the orange route (background) are almost identical, even though they were built about 25 years apart.

Alignments on this Map

Green: Original route prior to paving, which followed the path of the National Old Trails Road. Note: the green route on the left half of this map is not a proven alignment.

Red: First paved alignment, circa 1936.

Orange: Circa 1962 revision to the red route.
