

Between Lebanon (east)  
and Marshfield (west)

Note:  
Bridges originally built  
for the orange route in  
the 1950s had not been  
replaced as of 2022.

Alignments on this Map

Green/Red: Original and first paved route.

Orange: 1950s 4-lane US 66, which was brought up to interstate standards for I-44 in the mid-1970s.
