

Note:  
A single, 4-lane  
bridge was built  
for the orange  
route in 1958.

## BETHANY

### Alignments on this Map

Green/Red: Original and first paved route, paved in sections on this map between 1923 and 1928.

Orange: Lanes added to create a 4-lane highway extending to Yukon (Map 70), which was completed between 1953 and 1958.
