

Between Bethany (east)  
and El Reno (west)

Note:  
The first US 66 bridge on  
Shell Creek was replaced  
with twin bridges in 1951,  
which were rehabbed circa  
2000.

Alignments on this Map

Green/Red: Original and first paved route, hard surfaced in  
asphalt in 1928.  
Orange: 1951 4-lane upgrade, which eradicated the original  
paving.
