Alignments on this Map

Green/Red: Original and first paved route. Note that US 66 from Springfield to Joplin (79 miles) was paved in 1926.

I-44: In place by 1962 and brought up to interstate standards by 1964. On the 1962 state highway map, US 66 signage has been removed from the original alignment, suggesting it moved to the emerging interstate. I-44 is not color coded because it was not a US 66 project and did not involve an existing US 66 alignment.
