

Between Correo (east)  
and Cubero (west)

Note:  
The black dot represents a concrete project  
marker similar to those found along the Ozark  
Trails. Coordinates are 35.047017, -107.402435

Note:  
The 1955 RR viaduct on the  
orange route replaced a span  
built in 1932 on the red route.
