

THOREAU

Between Grants (east)
and Iyanbito (west)

Continuation of
the previous map
begins here.

Note on Alignments:

The original route prior to paving (green) continues on the north side of the RR, crossing one bridge and numerous culverts. It was replaced by the red route in 1937. The red route later became the frontage road for I-40, which was in place west of Thoreau in 1961 and progressing eastward.
